The New York & New Jersey Minority Supplier Development Council policy requires full payment prior to event. Payments made outside of the allotted period will be accepted if those payments are from companies with a payment policy that has been previously established and communicated to The Council. In the event that an extended company payment policy has not been established or communicated to The Council and there is a failure to pay this invoice within the allotted period, The Council shall be entitled to charge interest at the rate of 1.5% on a monthly basis commencing from the due date of this invoice and terminating upon full payment and satisfaction.
