

New York & New Jersey  
Minority Supplier  
Development Council

# SPONSORSHIP PACKAGES

Hope all is well. Thank you for your interest in our sponsorship opportunities and for your continuing support of NMSDC and our Council.

As you are planning your 2019 budget, please consider an annual sponsorship of the New York and New Jersey Minority Supplier Development Council. By becoming an annual sponsor of The Council, you not only provide financial support to The Council, but you also gain recognition and build a presence that strengthens your business relationships in New York and New Jersey. Council certified MBEs generate \$33 billion in revenue annually in New York and New Jersey, and our local corporate members and supporters are among the nation's most well-known names.

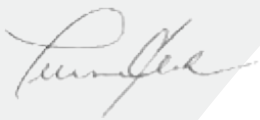

None of our programs and initiatives would be as strong as they are without your financial support and participation. From the Networking for Scholarships & Business Opportunity Exchange, through to our Gala Partnership Awards dinner, each event creates multiple connection points for minority-owned businesses and corporations to build relationships that lead to greater success for the MBEs, and stronger, more diverse supply chains for the corporations.

We are continuing to develop new networking opportunities and educational programs for business owners and corporate supplier diversity professionals throughout our region, which includes New York City, upstate New York, Long Island and northern/central New Jersey. We are also building up our team so that we can identify, certify and develop even more minority-owned businesses equipped to meet the needs of your buyers.

In this booklet, you will find a range of sponsorship levels to fit your budget and meet your strategic goals. Please help to continue the great work we all do together and join other top companies as an annual corporate sponsor for 2019. Your presence and contribution are what makes our collective success possible.

Thank you for your time and consideration. Please contact my colleague, LaTisha Green at any time at 212-502-5663 or [lgreen@nynjmsdc.org](mailto:lgreen@nynjmsdc.org) if you have questions, or you'd like to confirm your annual commitment for 2019.

Sincerely,

Terrence Clark  
President and CEO

# BUSINESS OPPORTUNITY EXCHANGE

Considered New York City's top conference on business development and corporate outsourcing to multicultural businesses, the Business Opportunity Exchange brings together hundreds of certified minority-owned business enterprises, member corporations and Exchange attendees in a cost-effective and dynamic manner. Every year, the Exchange increases opportunities for members to identify new qualified, capable minority-owned firms to enhance their supplier base. This 1-2 day event also includes a myriad of workshops, seminars and networking opportunities with some of America's top corporations and minority businesses.

Highlights include matchmaker sessions and exciting meal events
